Also, since this is only for 15 minutes it would seem that nothing more than bullets is reasonable.

Items:

New schedule for peer review
Inclusion of Phase 5 data summary
Response to public comments

Anything else? (BTW - I recommend only bullet, no details)

I am on the NRMRL call right now and have another meeting right after.
Would like to touch base with you after (11 mst, 12 cst) regarding the Jean report. Have we covered the Chapt 4/5 comments that Cindy just mentioned?
